To the Honorable Secretary of State of California

We, the undersigned, registered, qualified voters of California, residents of the County (or City and County) indicated below, hereby propose amendments to the Education Code related to social science instruction and petition the Secretary of State to submit the same to the voters of California for their adoption or rejection at the next succeeding general election or at any special statewide election held prior to that general election or otherwise provided by law. The proposed statutory amendments read as follows:

Section 1. Title: This measure shall amend the Education Code and shall be known and may be cited as the Children Learning Accurate Social Science Act.

Section 2. Instruction in social sciences shall include the early history of California, the United States of America, and world history. Study shall include relevant and accurate historical portrayals of the role and contributions of racial and ethnic groups. Further, no historical figure shall be excluded from inclusion in social science instruction, instructional materials,

or textbooks merely because of membership in, or possessing a characteristic associated with, a protected class as defined in section 220 of the Education Code. Inclusion of the study of a person in social science instruction shall be accurate and based solely upon historical significance rather than membership in a protected class.

Section 3. In kindergarten through grade 12, a teacher shall not give instruction, and no textbook or instructional material shall be adopted, calculated to promote acts of discrimination against racial and ethnic groups.

Section 4. Nothing in this Act shall require the expenditure of additional tax dollars for textbooks or instructional materials. This Act supersedes all other statutory provisions relating to this subject, including but not limited to, sections 51204.5, 51500, 51501, and 60040 and 60044 of the Education Code.

Section 5. If any provision of this Act is for any reason found unconstitutional or invalid, the remaining provisions shall not be affected, but shall remain in full force and effect, and to this end, the provisions of this Act are severable.
